Amphenol Custom Cable BABAA Compliance Statement for BEAD-Funded Projects

January 10, 2025

Amphenol Custom Cable is a leading provider in the customized cable manufacturing sector, known for delivering high-quality, rapid turnaround solutions that cater to a variety of industries. With a strong operational presence in Tampa, Florida, we have been dedicated to advancing cable technology and production for over 35 years.

Capitalizing on our extensive manufacturing capabilities and robust supply chain, Amphenol Custom Cable is well-equipped to meet and exceed the requirements of the Build America, Buy America Act (BABAA). Our commitment ensures that our diverse range of custom cable products shown below aligns with the mandates for projects funded under the Broadband Equity, Access, and Deployment (BEAD) initiative, supporting critical infrastructure developments across the U.S.

BEAD Compliant Product Family
Drop Cables
Fiber Jumpers
Outdoor Multifiber
Indoor Multifiber
Outdoor MTP/MPO
MTP/MPO Jumpers
Node Cables

Understanding your specific needs is crucial for Amphenol Custom Cable to deliver products that meet your expectations. To facilitate this process, we kindly request that you communicate your BABAA program requirements for BEAD funded projects to us through the following channels:

- **Quoting:** During the quoting process, please clearly indicate BABAA program requirements for BEAD funded projects that need to be met. This ensures that your requirements are documented from the beginning, allowing us to provide accurate pricing and delivery timelines.
